### **DAY 2: (B,D) Uluru Sacred Sights and Sunset with BBQ Dinner** **Thursday 26<sup>th</sup> May 2022**

After Breakfast at the Mantra we head to the airport where this exciting tour begins. On arrival at Ayers Rock Airport you'll receive a private group transfer to your hotel. Check in and get ready to explore Uluru.

This afternoon we travel to the base of Uluru, where you'll be amazed as your local guide shares the Aboriginal Tjukurpa (creation) stories that breathe life into this giant formation. Feel the spirit of the land as your guide takes you on a walk to Mutitjulu Waterhole, interpreting the meaning of the ancient Rock Art and sacred sites you'll see along the way. With plenty of time, we then travel to the Uluru Sunset Viewing Area where you can relax with a sparkling wine or two and nibbles while you enjoy a famous Uluru sunset. Witness the incredible changing colours as the sun sets below the horizon. After sunset, your Guide will transfer you our exclusive barbecue site. The site is within the Uluru National Park set amongst red sand dunes and desert oak trees providing a peaceful desert setting. The site is located far enough from the resort lights to provide you a clear view of the stars in the southern sky (weather permitting). Once at the site, you will enjoy a variety of Australian meats and salads, accompanied by wine, beer or orange juice (menus are subject to change). After dinner, tea, coffee and dessert will be served. Your guide will conduct a tour of the night sky, describing and pointing out some of the visible constellations with the assistance of a high beam spotlight (weather permitting). The guide will also explain some Aboriginal stories that relate to the stars before you return to Ayers Rock Resort. **Accommodation: Desert Gardens Hotel, Ayers Rock Resort /BBQ dinner**

**DAY 3: (B,D) Uluru Culture and Art Experience**  
**Friday 27<sup>th</sup> May 2022**

This morning you'll enjoy an incredible cultural experience with an Aboriginal Guide from the local Mutitjulu community and an interpreter. Get up close to Uluru with your Anangu guide who will be telling you the stories of this unique landscape and explain the connection between the art, the culture and the connection to the land along the Mala Walk. Then, we visit the Uluru Kata Tjuta Cultural Centre. Listen to how traditional hunting and gathering tools were made and what they were used for. Even join a bowl carrying or spear-throwing session to test your skills and balance! Follow this with a hands-on painting session. Learn about the symbols and painting styles used to create beautiful works of art depicting the Creation time (Tjukurpa) stories. Bring a personal connection to the experience and paint using the knowledge you've gained during the morning with your guide. Take your painting home as a memento of your experience. This afternoon you'll have a free afternoon to relax or enjoy some optional experiences such as Helicopter Flights. (Please advise if you are interested in this additional option).

**Accommodation: Desert Gardens Hotel, Ayers Rock Resort**

## **DAY 4: (B,D) Kata Tjuta Sunrise & Valley of the Winds**

**Saturday 28<sup>th</sup> May 2022**

Today we travel to Kata Tjuta (the Olgas) where your Guide will explain the geological history of the area. Enjoy a light breakfast with a tea or coffee as you watch the spectacular sunrise. Not only do you have incredible views of Kata Tjuta's domes, you'll also see Uluru in the distance as the sun lights up the desert. After breakfast you'll commence the Valley of the Winds walk. First stop is Karu Lookout. Along the way your guide will talk about the significance of the area to the Anangu people and show you how they've used the natural landscape for all their needs for thousands of years. For a longer walk, continue down the steep rocky path to the valley at the base of the massive domes. Keep an eye and ear out for the local birds and wildlife as you make your way to Karingana Lookout for incredible views over the plain and domes (Optional). Enjoy walking through the field of 50,000 globes of light at your own pace, where Desert Oaks seemingly appear from nowhere as the dawn light creeps above the horizon, then make your way up to the top of a large sand dune to the Field of Light sunrise viewing area. Once at the viewing area, we will be serving you tea, coffee or hot chocolate. Enjoy your drink as the sun starts to rise and lights up the surrounding desert. Watch in awe as it pops up behind Uluru, flooding the landscape with light. From the viewing area you can see both Uluru and Kata Tjuta while the desert comes to life.
