**DAY 03 (BD) BROOME SIGHTSEEING:**

**Wednesday 31 July 2024**

We have a later start this morning to recover from our long flights. Mid morning, we unearth the stories and sights of Broome with a **local guide** joining us. We will discover the red rocks of **Gantheaume Point** and the town's Port with time to wander through the **Japanese Cemetery**. Dating back to the very early pearling days, the Cemetery bears witness to the close ties Japan established with Broome in the early 20<sup>th</sup> century. We then head to Chinatown where we will pass by The Sun Pictures building, an open-air theatre owned by the Yamsaki family and the jetty. After lunch (Own expense), we visit the well-known Broome attraction called **Pearl Luggers**. It's often said that Broome's pearling industry is as rich in culture as it is in pearls. We'll be taken through an exciting array of pearling equipment with memorabilia from actual hard hat diving suits to the hand powered pumps which fed precious air to the divers below. To hear the stories first hand is a memorable experience. Late afternoon we will head to the beautiful **cable beach for the sunset**. You may want to take a Camel ride (own expense) before returning back for dinner.

**Includes Breakfast and dinner**

**DAY 4 (B) BROOME AT YOUR LEISURE:**

**Thursday 01 August 2024**

Today is all yours to explore Broome at your leisure. You may like to visit the Courthouse markets or take a ride on the Broome Tramway Co listening to untold stories of the history of Broome or perhaps just take a hovercraft ride over Roebuck Bay! Of course, some may just like to lay around the pool and relax – the choice is yours. All activities today are optional and at own expense. We will meet up in the afternoon at 4pm to walk to the Town beach Night Markets. This is a great place to browse to local stalls and purchase dinner (own expense) in the stunning town beach precinct.

**DAY 5 (BLD) CYGNET BAY & THE DAMPIER PENINSULA:**

**Friday 02 August 2024**

Today we will be heading to one of Australia's most remote and untouched regions. Our first visit is to the **Beagle Bay Church** to see the famous Pearl Shell Altar, then we are off to the **Cygnets Bay Pearl Farm** for a guided tour of this working Pearl Farm followed by lunch. Our afternoons touring takes us to **Cape Leveque** and the surrounding area before we return to Broome in time for dinner.

**Saturday 03 August 2024**

One of the highlights of this tour is standing in the perfectly preserved, 120-Million-year-old dinosaur footprints that are **fossilised in rock** on a secluded beach. Learning about the early Cretaceous period and the dinosaurs that stamped their mark on history will leave you bewildered. This specially designed boat allows you to disembark directly onto the beach and is the perfect boat to explore this intriguing coastline. This afternoon we visit the **Malcolm Douglas Crocodile Park** and Animal Refuge. The shop museum showcases an extraordinary display of

Malcolm's forty years spent producing his famous adventure films. We watch the daily crocodile feeding showcasing some of the largest crocodiles on display in Australia.
